Subject: Broken Promise of Lowering the Alberta Income Taxes

Dear Minister Horner,

Dear **(insert your MLA name here)**

It's been over a year since you have been in government and as Minister of Finance. I am concerned that there is no commitment to keep your promise of lowering the Alberta income taxes. This just causes distrust in you and in our elected representatives..

However, I believe Albertans are waking up and want action from their elected leadership and will start demanding that those they have elected keep their promises.

So I ask that you step up NOW and lower the income tax as YOU promised!!

You can be a leader now and an example for your fellow parliamentary representatives by being the first to keep your promises!!!

I'm counting on you to do the right thing!

Sincerely,
